

Agenda #CMAE19B, Brussels, 7 November, 2019.

- **Welcome and Overview of Conference** (Derek Banner, CMA Chairman, Dietmar Gollnick, Chairman Elect, Jurgen Poels, ASTRID)
- **Brussels and Belgium** An introduction to wonderful Belgium and the historic city of Brussels, the food, the beer and the culture. (Jurgen Poels, ASTRID)
- **Vision for the Near Future** A constructive contribution:
 - ✓ Where would we like to be in 2 or 3 years from now? How should we work to reach such a target and how members – established and new ones – can benefit?
 - ✓ Some ideas of how we can work together to make 1 plus 1 equal 3. Some of these ideas have been discussed elsewhere and within the board of directors. How can we efficiently achieve this. This is quite complex.
 - ✓ Contributions for the visibility of the market, for both us and our competitive technologies.(Dietmar Gollnick, CMA)
- **Member Activity** A discussion about
 - ✓ Improving benefits to retain existing members and attract new members
 - ✓ Where will CMA find new members
 - ✓ What other markets or technologies should CMA affiliate with(Jim Nelson, Prism IPX)
- **ASTRID Paging - Status** Evolving of the Critical Messaging evolution in Belgium (Jurgen Poels, ASTRID)
- **Mission Critical Systems** Mission critical systems that Technolution delivers – not only for critical messaging – the fast-growing importance of data and algorithms and why critical communications that are reliable, timely and authentic are therefore important. (Klaas Lok, Technolution)
- **Goodbye and Farewell** (Derek Banner)
- **Wind Up** (Dietmar Gollnick)

Some of the presentations are not fully available. If you are interested in the entire lecture, we look forward to your request by email to #CMA2019B@critmsg.org.
